*Your plan to enter
the German Market*

We advise you when you enter the German Market

- ✓ If you plan to enter the German Market?
- ✓ If you look for Distributors?
- ✓ If you need support for your German Operation?

Your plan to enter the German Market

Your company is not present on the German Pharma - Medtech- or Dental Market, but you look to enter it?

You have interesting and innovative products, which could be useful for the German Medtech and Dental Users?

Then we should talk about your start into the huge German market.

Who we are?

We are a Consulting Company with a strong background and network inside the Medtech & Dental field.

We have been working since more than 25 years with international known companies. Our Partners together have more than 75 years of experience in sales and marketing in the Medtech-, Pharma-Dental and dental implant industry.

With our focus on Sales, Marketing and Business Development we can setup your German operation within a very short time and reasonable Prices

What we offer

- ✓ Businessplan
- ✓ Complete Setup of your sales Organization
- ✓ Marketing & Sales Strategy
- ✓ Management & Interim Management
- ✓ Administration Service
- ✓ Business Development
- ✓ Positioning
- ✓ Logistic
